ADULT CLASSES—January 6 to May 5, 2013

The Joy of Being “Reformed”

Pastor Alfred & Bill Nikides

Class is located in the sanctuary

This course will consist of two major sections: Reformation History and Reformation Theology. Bill Nikides will begin with six studies on the history of the Protestant Reformation. What are our spiritual roots? How did a bunch of young 20-somethings in the 16th century change the entire religious landscape of Europe and the New World? Who were the key players in these Reformation? Who really was Luther? Calvin? Knox? Following the section on history, Pastor Alfred will teach a series of studies on Reformation theology. We will explore a variety of topics like: What are the core beliefs of the Reformation? What is Covenant theology? Why creeds? If we are free agents, how is our will in bondage? What is Arminianism? How ought we to view Scripture and tradition? What is TULIP?

Counterfeit Gods

Pastor Jason Barrie & Byron Longenecker

Class located in the downstairs center room

Success, fortune, true love, and the peaceful life you've always wanted. Many of us place our faith and hope in these things, believing they hold the key to true happiness. It's no wonder that so many of us feel lost, alone, disenchanted and resentful. But the truth is that we make counterfeit gods of these good things—gods that will never give us what we really need. There is only one God who can wholly satisfy our cravings—and now is the perfect time to meet Him again. In this class, we will explore the biblical theme of idolatry through the study of several different Old and New Testament passages and consider together God's remedy for our wandering hearts.

Ten Foundations for Life

Rex Clark

Class located in the northwest fellowship hall

Learn ten basic truths that every Christian should know and apply... and teach to their children. Can you list several aspects of God's character and explain how the vital reality of God influences your life decisions? Can you outline the gospel of Jesus Christ and explain the difference He makes in your life struggles? Can you identify God's agenda for you and explain how it brings blessing and life to your daily use of time and money? By the end of this class, you will answer yes to each of these questions. Join us for a very interactive, hands-on approach to pursuing life that is really life!
